

# Module Overview B.Sc. Architecture (10 Semesters)

Degree Programme Guidelines as per 01.10.2013, Version 01.10.2018

The degree programme consists of 180 Credit Points (CP) in total.:

- ▶ **Mandatory Subject Area:** 150 CP
- ▶ **Elective Subject Area:** 0-10 CP
- ▶ **Interdisciplinary Elective Area:** 5-15 CP
- ▶ **Research/Thesis:** 15 CP

**Language of Tuition:**  
**GERMAN**  
*Certificates required*

TECHNISCHE  
UNIVERSITÄT  
DARMSTADT

This leads to the following possible part-time semester course schedule:

| Full-time semesters                                                    |                                                                | Part-time semesters                                                        |                          |                                                      |
|------------------------------------------------------------------------|----------------------------------------------------------------|----------------------------------------------------------------------------|--------------------------|------------------------------------------------------|
| 1. Semester                                                            | 2. Semester                                                    | 3. Semester                                                                | 4. Semester              | 5. Semester                                          |
